TEACHING & RESEARCH INTERESTS

Geographic Information Systems (GIS); Environmental Justice; Community-Based Learning; Health Geography; Firearms Violence; Digital Humanities; Population Geography; Migration; Spatial Statistics

EDUCATION

- 2006 University of Colorado, Boulder; Department of Geography. Ph.D. in Geography, May 2006.
- 2000 University of Texas at Dallas; School of Social Sciences. Master of Science in Applied Economics, August 2000.
- 1999 University of Texas at Dallas; School of Social Sciences. Bachelor of Science in Economics & Finance, May 1999.

ACADEMIC POSITIONS

- 2012-present Director, Spatial Data Center, Drew University
- 2020-present Associate Teaching Professor, Environmental Studies and Sustainability Program and Public Health Program
- 2014-2020 Assistant Professor, Environmental Studies and Sustainability Program and Public Health Program
- 2016-2017 Director, Environmental Studies & Sustainability Program, Drew University
- 2006-2011 Assistant Professor, Department of Geography, Florida State University

TEACHING EXPERIENCE

Undergraduate Courses

- Advanced GIS
- Geographic Information Systems
- Environmental Justice
- Intersectional Environmentalism
- Medical Geography
- Environment, Society and Sustainability
- Exploring Solutions
- Environmental Economics
- Globalization
- Human Geography

Graduate Courses - FSU

- Geographic Information Systems
- Social Applications of GIS
- Environmental Justice and GIS
- Medical Geography

Co-taught

- Beyond Earth Art

PUBLICATIONS

2022 "[Evidence for Systemic Racism in Siting Environmentally Hazardous Facilities: A National Examination of Superfund Sites in Home Owners Loan Corporation \(HOLC\) Mortgage Security Grades.](#)" Environmental Justice and Health Equity Session. American Public Health Association Annual Meeting, November 10. Boston, MA. Co-presenting with Jacob Jordan.

DREW UNIVERSITY

Environmental Studies, Science & Sustainability

2022 “A Toolkit for Building Community Web Maps and Story Maps: Case Study of Madison Borough - Environmental Resource Inventory (ERI).” Poster Presentation. 34rd Annual NJDEP Mapping Contest, April 15, online. 2nd Place, Educational Map.

2022 “Think Local Act Local: Addressing Wicked Problems through Place-Based Approaches in GIS Education.” Meeting of the Association of American Geographers, February 25-March 1. Virtual. **Supported by grant from Project Pericles

2021 “Upstream consequences of firearms and ammunition manufacturing in the United States: A geographical analysis of toxic releases and compliance violations.” American Public Health Association Annual Meeting, October 24-27. Denver, CO.

2021 “Good Walk Good Talk.” Poster Presentation. 33rd Annual NJDEP Mapping Contest, April 15, online. 1st Place, Educational Map.

2019 “New Jersey Firearms and Public Health: Framework for a Life Cycle Assessment Approach.” Poster Presentation. 32nd Annual NJDEP Mapping Contest, April 18, Trenton, NJ. 1st Place, Educational Map.

2018 “Guns against Butter: Location-Specific Cases of Food Weaponization.” American Public Health Association Annual Meeting, November 10-14. San Diego, CA.

2018 “Reconceptualizing Sustainable Jersey: Tackling the Urban-Suburban Divide.” Design, Justice & Zero Waste: Exploring Pathways to a Circular Economy, The New School, Tishman Environment and Design Center, May 8&9. NY, NY.

2018 “Where the Only Certainty is Uncertainty: Exploring the Demographics of Displacement in South Sudan.” Population Associations of America, Annual Meeting. Denver, CO.

2018 “Exploring Food Access in Morris County: Interfaith Food Pantry Utilization and the Changing Needs of Elderly and Working Poor Populations.” 31st Annual NJDEP Mapping Contest, Trenton, NJ [1st Place, Best Instructional Presentation, in collaboration with ESS 382/BIOL 370 Advanced GIS class, Spring 2018, and the Morris County Interfaith Food Pantry].

2017 “Identifying Cultural and Natural Resources along the Pilgrim Pipeline Corridor.” 30th Annual NJDEP Mapping Contest, Trenton, NJ [2nd Place, Best Story Map; in collaboration with ESS/BIOL 302 GIS class, Fall 2016, Coalitional against the Pilgrim Pipelines, Food and Water Watch, and the Chatham Borough Environmental Commission].

2014 “Beyond Borders: Gridded Demographic Data Sets and Web Mapping Applications for Population, Development, and Environmental Research.” Population Association of America, Annual Meeting. Boston, MA.

2014 “Demographic Data Sources and Web Mapping Applications for New Jersey.” 27th Annual NJDEP Mapping Contest, Trenton, NJ [2nd Place, Best Instructional Presentation].

2011 “Assessing the Impact of Climate Change on Migration and Conflict.” Presented to the Committee on Climate, Energy, and National Security, Board on Atmospheric Sciences and Climate, National Academy of Sciences. Washington, DC.

2010 “Citizen Mapping and Environmental Justice: Internet Applications for Research and Advocacy.” Meeting of the American Public Health Association, Denver, CO.

DREW UNIVERSITY

Environmental Studies, Science & Sustainability

2010 “Integrating GIS into Medical Geography and Public Health Curricula.” Meeting of the Association of American Geographers, Washington, DC.

OUTREACH

2019-2023 Sustainable Madison Advisory Committee, appointed by mayor, advisory committee to Borough of Madison

2016-2023 Humanitarian Data Exchange, contributions by means of the Drew University Organization page:

<https://data.humdata.org/organization/drew-university>

2015-2018 Collaboration with Coalition against the Pilgrim Pipeline, Chatham Environmental Commission, on mapping social and environmental impacts of pipeline construction. See, for example, <http://tinyurl.com/capp-gis>

2014-2015 Lake Hopatcong Foundation, and New Jersey Department of Environmental Protection, State Parks, Partnership with Drew University on Boat Dock Inventory for Lake Hopatcong.

2013-2015 EPA, Toxic Release Inventory (TRI) University Challenge, Partnership with Drew University.

In 2019 and 2021, I participated in the Drew Digital Humanities Summer Institute (DHHSI), and in 2019, I participated in the New Jersey Governor’s School in the Sciences.

I am a member of the American Public Health Association (Environmental Health and Alcohol, Tobacco and Other Drugs Sections) and the Association of American Geographers. I am intermittently a participant in the Association for Environmental Studies & Sciences and Population Association of America.
